England, France, Germany, Italy, Switzer land and China, JEWELRY, WATCHES, CLOCKS, &c.,

Beg leave respectfully to observe-THAT their importations and variety are larger than those of any other house in the trade; That their goods are all made specially to order, or selected with much care by one of their firm re-

That their purchases are made with cash, under every facility of experience and perfected arrangements, in the principal markets, and with the best nanufacturers;

That the extent of their sales, while it enables them to buy in sufficient quantities to secure material advantages in price, enables them also to sell at a smaller advance than would be practicable for others, and insures a fresh and desirable stock:

So that they feel perfectly confident they offer a larger, richer, and more desirable selection than can be had elsewhere in the United States, and at lower prices.

Proposals for American Water-rotted

Bureau of Construction, Equipment, and Repair. March 1, 1849.

The said hemp must be thoroughly dressed, cleaned, free from shives, and must not lose more

than sixteen per cent. of tow and weste when hatchelled to the satisfaction of the inspectors ready for spinning. Its strength must be such that a rope of one and three-fourths of an inch in circumference,

the bidder or bidders will, if his or their bid be accepted, enter into an obligation within fifteen days after the contract is submitted for signature, with good and sufficient sureties to furnish the supplies proposed. No proposal will be considered unless accompanied by such guaranty.

Bonds, with two approved sureties in one-half the estimated amount of the respective contracts, will be required, and ten per centum in addition will be withheld from the amount of each payment to be made, as collateral security for the due and faithful performance of the respective contracts, which will on no account be paid until the contracts are complied with in all respects according to their terms.
